

ECHO

TRAIL BEGINS HERE

The MET Echo is an entry-level MTB helmet high in quality and protection. It's the perfect choice for those who are just beginning their adventures on the trails.

EXTENDED COVERAGE

The construction of the helmet offers the same technology and safety as helmets higher up in the range, we've increased the coverage around the back of the head, which is especially in need of protection.

SNAP-IN VISOR

The MET logo, consisting of the letters 'MET' in a bold, white, sans-serif font on a red rectangular background.
