

MOBILITE MIPS

FOR EVERYDAY LIFE

Complementing urban appeal with functional design. The new Mobilite Mips is as dynamic as your everyday life. The MET Mobilite Mips is exceptionally safe and packed with all of the features needed in the city.

CITY USE FEATURES

The MET Mobilite Mips is exceptionally safe and packed with all the features needed in the city. Fidlock® magnetic buckle, anti-insect net and the new MET Rear LED Light which snaps in and out the rear vent to ensure you to be visible on the side of the road.

MAGNETIC FIDLOCK® BUCKLE

10-15 MM IN ANY DIRECTION

BRAIN PROTECTION SYSTEM

At MET we take your safety very seriously, all the production batches of the Mobilite are strictly tested in our lab, leaving nothing to chance. Featuring the MIPS-C2® brain protection system, the Mobilite is able to slide relative to the head in the case of a crash, redirecting damaging rotational motion.

OUTSTANDING COMFORT

One of the hallmarks of the Mobilite Mips is its incredible comfort. The 360° head belt ensures that there will be no pressure points on the skull and thanks to its internal shape it will go unnoticed on your head. The Safe-T Mid retention system can be micro-adjusted to achieve the perfect fit and has a soft padded neck support.
